A black and white photograph of a modern garage interior. A white sports car is parked on a highly reflective floor that mirrors the car and the ceiling. The ceiling features a complex, illuminated hexagonal grid pattern. A white rectangular frame is superimposed over the upper part of the image, containing the text 'EPOXY CATALOG'.

INTERIORS

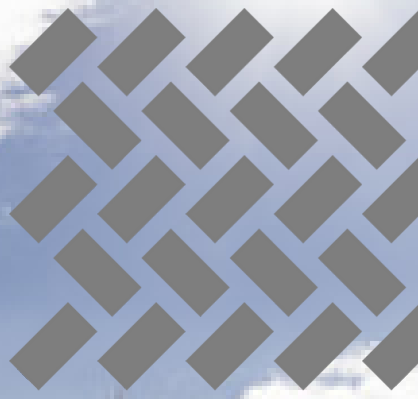

A photograph showing a close-up of a polished, speckled floor in an interior space. Several white plastic chairs are visible, with their legs resting on the floor. The floor has a glossy finish that reflects light.

GARAGES

A photograph of a garage interior. The floor is covered in a speckled material, likely terrazzo or polished concrete. A white door is visible in the background, and a window with a textured glass pattern is on the left. The walls are dark grey.

**OUTDOOR
SPACES**

A photograph of an outdoor space featuring a swimming pool. The pool's edge is visible on the left, and the surrounding area is paved with a speckled material, matching the other images. The water in the pool is clear and blue.
